

Wareham Art Club Exhibition Report 23rd October 2021.

We held our first club exhibition for over 18 months at Wareham Town Hall on Saturday 23rd October. Although we were all a bit rusty it was a great success mainly due to the commitment and hard work of our members. It was really good to see new members getting involved in all the jobs that needed to be done. We hung over 120 pictures which is the most we have hung at an exhibition for some time. The standard of work was very high

Sale of refreshments, donations and sales were very satisfactory, and we made a small profit which is all we ever set out to do.

The favourite painting competition was as popular as ever with over 100 votes cast. The results were as follows:

1st placeChichester Harbour by David Cole

2nd placeCalm Waters by Jenny Frankland

3rd place.....Storm Clouds by Maureen Davis

I would like to thank all those who helped to make this a really good exhibition. this includes members and partners who helped with the screens, Richard Adams and Barbara Wood for the behind-the-scenes admin work, for Davina Thomas for taking on the role of managing the refreshments. Jon Wright set up a slide show where our 'Covid isolation challenge' pictures were projected on a wall in a continuous loop; this added a new dimension to our exhibition, and three of our members demonstrated their artistic skills live which went down well with our visitors.
